

### REMARKS

The present paper is being submitted in order to provide information regarding the deposit, including the name and address of the depository, the accession number, and the date of the deposit, and to incorporate this information into the present specification by amendment. This information has been added by amendment to the Specification at page 4, paragraph 20.

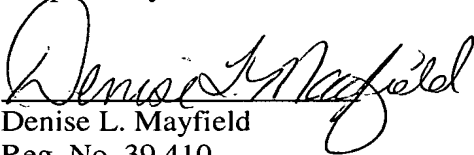

Applicant also submits herewith the Declaration of Biological Deposit under 37 C.F.R. §§1.801-1.809, of Dr. Malcolm Fraser (Attachment 1).

The present amendment to the specification is provided with sufficient time remaining as required under 37 CFR 1.809 (e) on or before the issue fee is due.

All outstanding issues now having been resolved, Applicant submits that the present application is even further condition for allowance and issue. Issuance of the application as amended, is respectfully requested.

In view of the foregoing, it is respectfully submitted that this application is in condition for allowance, and favorable action is respectfully solicited. If the Examiner has any questions or concerns regarding the present amendment, the Examiner is invited to contact Denise L. Mayfield at 703-563-2003.

Respectfully submitted,

  
Denise L. Mayfield
